Dear Brethren

Above is the Family Session Prayer schedule during divine worship time. This schedule is meant to warn you in good time to plan and arrange to attend, and where possible, to invite your family who worship and/or live elsewhere to be part of the prayer session on the allocated date.

Should you know in advance that the allocated date is not conducive for you and/or your family, please kindly notify Elder S Moyo for date-swapping for a convenient date.

Thank you and God bless you.
